

Art From The Heart supports Hull kids and families

Since 1962 Hull Child and Family Services has been serving our community's most severely disturbed and tragically abused kids. Every day, we work with 3,000 individuals to achieve our mission of *helping kids and families achieve success in their lives*.

Hull's clients are as diverse as the communities we serve. We help children, youth, young adults and families who experience emotional and psychological disorders, behavioural problems, learning disabilities, mental illness, developmental delay, neglect and abuse, and family breakdown. Usually our kids and families are living with a combined variety of the following:

- Children who have experienced physical, emotional and sexual abuse.
- Children with behavioural difficulties, emotional disturbances and mental health disorders.
- Youth who are out of control, living on the streets, delinquent or attempting suicide.
- Young people with learning disabilities, attention deficit and developmental delays.
- Families who struggle with poverty, parenting and isolation.

All too frequently the children who come to Hull feel helpless and believe their futures are hopeless; many are suicidal. Often they are society's disposable kids. Fortunately, Hull is there to help. As we continue to serve those in greatest need, today Hull is increasing its efforts to make the community better for all children and families. Our kids learn to appreciate that they are worthwhile, loved and safe; there is hope for the future. This work is supported by caring community members who step forward to help, contributing gifts and involvement to let these kids know that someone cares for them. By supporting the **Rotary Club of Calgary – Sarcee “Art From The Heart” Art Auction**, you are joining this work.

Your gift will allow Hull to purchase a 12-passenger GMC Savanna van (like one pictured below) to transport kids and families to school, visits to family and recreational activities that they would otherwise not be able to access.

We truly do help kids and families achieve success in their lives, and you are making a meaningful and significant difference. For more information, visit www.hullservices.ca

Thank you from Hull's kids and families!
